	4-2-2005 Shri H. S. Patel, counsel for the petitioner. Heard. The petitioners have filed this petition with the averment that respondent No.7 is not complying with the order dated 5-3-2004 passed by this Court in M. A. No.859/2002 and instead of giving apportionment, the Collector has ordered for measurement which was already taken place. Perusal of the order dated 5-3-2004 reveals that parties entered into a compromise and in terms of the compromise deed dated 30-3-2003 order was passed for settlement among the parties. Now, the Collector has ordered for measurement for settlement. I do not find any disobedience of the Court's order dated 5-3-2004. The petition has no substance and the same is dismissed.
